**Is your Child struggling with Vision Issues that you may Not be Aware of??**

Bring the kids to receive a FREE- No Cost to you – Vision/Eye Screening.

Our Certified Screeners will conduct a quick screening using our Digital PLUS OPTIX Eye Screening Cameras to detect any deficiencies in your child's eye sight.

If the child Does Not Pass the Screening; they will give you a Referral to be seen by an Eye Doctor for follow-up.

\*(Our Vision Screening Program also offers Free Glasses to Underserved Families in need).

**Spot Vision® Fast, kid-friendly and camera-like vision screening for children!**
